

April 2018

March was a long cold month, filled with bad weather, here's to hoping April will bring Kenilworth some nice weather! During the last month the result of these bad storms was a multitude of trees and wires down. Kudos to our emergency services for getting out there in the worst of it making the best of a bad situation. The nor'easter's we faced not only included high winds but a heavy wet snow that crippled most of the state. I don't want to say we were lucky but we fared much better than some other towns.

I would like to remind everyone while the season of giving is technically over; there are still people in need throughout the year. I like to take this time to remind everyone to **HELP STOCK YOUR LOCAL FOOD PANTRY**
